

COMMISSION FOR EDUCATION DIOCESE OF KOHIMA

Dear Father/Sister/Brother

Greetings from Bishop's House, Kohima!

I am writing this letter to give you all a piece of information. The Catholic Church in Nagaland is educating our people through our schools and colleges. At present we are extending help from these many institutions.

Sl. No.	Institution particulars	Number of Institutions
1	B. Ed College	1
2	MSW College	1
3	Teacher Training Centre	1
4	Degree Colleges	4
5	Higher Secondary Schools	25
6	High (Secondary) Schools	25
7	Primary/Elementary Schools	72

It is right and proper that the Teaching Services of our Priests, Nuns, Religious and the lay Teachers in our institutions is recognised by the Government of Nagaland. But looking at the State Level Teachers' Day Award 2015, only one person from one of our institutions got the award. Upon enquiring as to why there were so few, the office people responded saying that there were no names suggested by the schools.

So, I am giving this information (guidelines, criteria) so that we can also give some names (Priests, Nuns or Teachers).

1. The names can be nominated by either of them: Head of the Institution, Chairman or Rector, Board Members, Colleagues or the VEC members.
2. There are two levels for awards at the State Teachers Award: Primary Teachers and Secondary/ Higher Secondary Teachers.
3. The criteria for receiving the award can be seen from those who got it already. I am giving the names and the particulars about those who got the award this year 2015 on what grounds these teachers were awarded.

Thanking you for your cooperation.

Yours in Christ

Fr. George Rino
Secretary, CEDOK
